Dear Parents and Carers,

The Public Health Nursing team are preparing to support children transitioning into school with any current health needs. The school nurse team have created an excellent school readiness video and can be viewed on You Tube:

[https://www.youtube.com/watch?v=F-LYT\\_icFBI&feature=youtu.be](https://www.youtube.com/watch?v=F-LYT_icFBI&feature=youtu.be)

I have also attached a comprehensive School Readiness Pack that has been provided by the Somerset School Nurses Team and also School Readiness information which was put together by the Tower Learning Community of Reception Teachers.

It is a very exciting time, starting school; however, it can be a little daunting at times and we will continue to support your child in readiness. I want to emphasise too that we are here if you have any worries, concerns or just want a chat.

Yours Sincerely,

Anna Swinburn- Supervisor
